

# Citizens on Patrol

# BROOKLYN

Join us for a walk in our Brooklyn neighborhoods. **COP WALKS** are an effective way of deterring neighborhood crimes of opportunity by reporting vacant and un-kept properties, broken street lights, litter, graffiti, loitering, vandalism, etc. They also serve as a visible symbol of our community's resistance to criminal elements.

***We always walk with a police officer.***

***Safer Neighborhoods are everyone's responsibility!***

### **Inclement Weather Policy**

Walks are cancelled if:

- ~ Baltimore City schools are closed or are closing early
- ~ It is 32 degrees (or below)
- ~ If it's over 90° at 6 PM
- ~ If it's raining at 6 PM
