

The Concerned Citizens for a Better Brooklyn and the Baltimore City Southern Police District encourage you to report suspected prostitution activities on your block by calling 911. You may also use this “**SUSPICIOUS ACTIVITY NOTICE**” to record instances where a vehicle is observed soliciting a prostitute or picking up a prostitute. Based on the information you provide, a letter will likely be sent to the registered owner of the vehicle indicating that the driver was observed either engaged in conversation with a known prostitute or was seen repeatedly driving through an area known to have a high instance of prostitution-related criminal activity.

Always put your own safety first. Gather information discreetly and never confront suspicious persons.
