

TOWN MEETING

Friday, JUNE 12
10am - 12pm

**Benjamin Franklin High School@
Masonville Cove
1201 Cambria Street**

(Enter school through cafeteria on West Bay Ave)

Join us and learn about the

Masonville Cove Environmental Education Center.

What began as the restoration of an abandoned and neglected parcel of land in the Middle Branch has become something very special. Masonville Cove is 70 acres of water and 54 acres of reclaimed wetlands, nature trails and a protected bird sanctuary. Opened in April 2009, this community treasure offers environmental programs for the community and school groups and serves as a place for community meetings and as a gateway to nature trails.

Learn what work is currently being done, when waterfront access will be available and what plans are in the works for the future.

A Full Report will be given by Port officials.

Free Refreshments will be served
